# From the Editor's Desk

It is with pride and joy that we release this edition of the E-magazine 2019-2020, the first in-house magazine designed by our own students.

We place on record our thanks to the student editors V. Marin Koska of Visual Communication department for the design, layout and publication process.

Patrician College, which had its humble beginnings way back in 2001, reminds itself of its rich roots through its magazines. It is an endearing record of its students, activities, life, culture and tradition. The saying that rings in the ears of every Patrician 'Once a Patrician, always a Patrician' is trite, but what is trite is also true, as with this magazine release the college has seen the completion of 19 years in the educational field and the Patrician spirit has remained the same.

These magazine pages are sure to revitalize you as you gloss over its pages.

**We wish you a happy reading!!**

# Director's Address

## Rev. Bro. Dr. Johnson Rex Dhanabal

**'The fear of the LORD is the beginning of wisdom: and the knowledge of the holy is understanding'** – Holy Bible

Greetings to one and all! Without God, education is valueless. I thank God for another year completed and a new one on the verge of commencement. Education is truly a noble cause and Patrician College has made sure to leave its imprint in the field of Higher Education. Going beyond the curriculum has always been a core value of work culture here at Patrician. We do not look at our graduates as mere educational products but as holistic personalities capable of unimaginable strengths and achievements. It is with this view in mind that we at Patrician aim to make this world a better place through holistic education.

Patrician ensures to bring this vantage viewpoint to realization through high standards of infrastructure. If one wants the best result, then one has to provide the best input. It is highly adhered to that compromises are not made on quality at Patrician. This is evident through the infrastructural facilities that the college constantly strives to improve to provide a better educational ambience for the learners. This year, the college has seen an exponential growth in infrastructural facilities with the inauguration of the Commerce Lab, The Library Research Wing, The Board Room, the various seminar and conference halls, and the Students Common Room which have all been named after great stalwarts of the Patrician Congregation.

In keeping with the goal of enhancing the personality of students holistically, Patrician cultivates a social bent of mind among the student community with several initiatives of College – Community – Connect. The initiation of Patrician SEEDS this year has seen the institutionalization of a specialized outreach programme. Through SEEDS, every student is exposed to the harsh realities of societal injustice and environmental issues. This outreach programme is not merely to create awareness among the students but to ensure that the students understand that they can play an impacting role by being change agents to innovate and evolve liberating solutions. Therefore, the focus shifts from awareness to empowerment.

Patrician is growing by leaps and bounds and keeping up - to - date with the tech developments and has made definitive technological advances toward the integration of campus activities and security. Structures are in place for paperless governance and have been widely used in the college campus this year. Patrician is constantly striving towards making updated facilities available to all internal stakeholders for the betterment of the individual and the institution.

I am proud to report that Patrician has been crowned with the first rank among non autonomous colleges in the state of Tamil Nadu and 27th rank in the nation. Our efforts are increasingly being recognized and Patrician is truly earning its place in the top echelons of higher education. These rankings stand as proof of our undying commitment to continual improvement and constant progress. We are grateful to the ranking agencies, Education World, who have bestowed this honour upon our institution.

I place on record my congratulations at the release of this Magazine. I place on record my gratitude to all the members of the institution – whether it be student, alumni, faculty, administrative staff, or support staff – for all joining hands together and ensuring that Patrician is dedicated to forward and upward movement. They are the cogs and sprockets that make the clock of Patrician tick! I must mention my gratitude to all of our partnering organizations and individuals for integrating with us toward making our goals possible.

With God nothing is impossible! Therefore, it is with an encouraged heart that I wish the Patrician College all the best for its future. Let us all join hands and move forward with a firm faith in God and a drive to excel that we may carry the standard of education to a point where we become the standard of higher education in the nation and, at a greater level, in the world!! **God bless!!**

# Academic Director's Message

**Dr. Fatima Vasanth**

Dear Patrician Family

*I take immense pleasure to greet you on this occasion of the release of the college magazine for the year 2019 – 2020. This academic year has been a memorable one flooded with quality initiatives in all fronts. It was a significant year for the college as it was a year for reaccreditation by the National Accreditation Assessment Council (NAAC). The entire college was put on the busy academic exercise to collate data on the performance of the college for the last 5 years and present the quality and quantitative report to the assessment council. This assignment called for meticulous work, committed and dedicated team and high end motivation from stake holders.*

*With the blessings of the Almighty we are proud and feel accomplished to share that the college has kept up the rich tradition of keeping the deadline and adhering to mandatory requirements. The college successfully submitted the Self Study Report (SSR) to NAAC in March and are awaiting eagerly for the next stage of assessment. Besides this the college has been bustling with cocurricular and extra curricular activities. The college attempted an innovative strategy of add on certificate courses to ensure that every Patrician student is enriched with additional knowledge and skills. The certificate courses one per semester were made mandatory and this paved way for students to equip themselves for their life and career.*

*Patrician College stands out to be Ranked number one institution among the Self Financing colleges in the state by Education World. This has been possible because of the Visionary Management, positive leadership by Director and Secretary, dedicated and committed officials and staff, enthusiastic students, supportive parents and alumni, quality academic programmes that college offers and the state of art facilities upgraded periodically in the college.*

*I convey my congratulatory wishes to the magazine committee for bringing out the document which contains all the achievements and proud occasions and activities of the college. I wish the college to grow from strength to strength reaching out to many more students and shine in grooming human resources.*

# Principal's Address

**Dr. Usha George**

***"Knowledge is Power, Information is liberating, Education is the premise of Progress in every society, in every family."***

***- Kofi Atta Annan.***

The educational system has become so dynamic that it has become imperative to think beyond the set patterns or indoctrination to emerge as a centre of excellence. Patrician College sets its own benchmarks for quality enhancement and growth. Spirit of inquiry, analytical and critical thinking and research is incorporated into the curriculum to motivate the students to explore their interests, innovate and grow. This past year has been an eventful, challenging and exciting year with a flow of activities, co-curricular and extracurricular. One important quality initiative this year besides all other curricular and co-curricular activities was the submission of SSR to the NAAC Committee for reaccreditation, Second cycle. We look forward to getting a higher grade than the present 'A' GRADE status which the college currently enjoys.

However the aim of education is not just accumulation of knowledge, facts and information or materialistic furtherance but instilling right moral and ethical values and shaping socially responsible citizens. In line with it the extension activities of the college under the banner SEEDS, with the theme for the year 'Serve to Lead' offered the students several platforms and opportunities to engage in socially committed activities, to impart holistic education.

But the entire environmental scenario changed in the month of March with the pandemic COVID-19 adversely impacting life in every sphere universally. All institutions had to close abruptly to check the spread of transmission and practice social distancing. With this the modes and methods of teaching and learning also became challenging. In moving forward, digitalization and use of technology no longer was an option but a compulsion. I am pleased that in becoming future ready and remaining ahead of the curve, the faculty quickly identified and implemented the new trends in pedagogy, for dissemination of knowledge and skills to students during the lockdown period.

My appreciations to the Heads of the Departments, Co-ordinators and all faculty members who have leveraged every opportunity, overcome all challenges and remained steadfast in your commitment and dedication to work tirelessly for the smooth functioning of the years activities. I congratulate the IQAC cell for ensuring that quality parameters were sustained and enhanced through review and analysis of the programmes.

It must be mentioned here that the college is growing every year, the next academic year will see the introduction of three additional PG Programmes, M.Sc Mathematics, M.Sc Psychology and M.A. HRM as an initiative to promote research departments. I also feel happy to share that the college has been ranked as the Best Non Autonomous college in Tamilnadu and the 27th position in the country by Education World Survey. All of these aligns with our mission for inclusive educational opportunities and to make the college a centre of excellence.

In our mission to empower young minds and our commitment to higher education, I am thankful to Rev.Bro.Johnson Rex Dhanabal, Director and Secretary, Dr. Fatima Vasanth, Academic Director for their continuous support and guidance. I also thank Dr. Geetha Rufus, Vice Principal, the members of the Governing body, the Academic Council, Administrative and Support staff for their invaluable contributions.

Our journey in the pursuit of greater excellence continues...

I thank God and pray for His special Grace and protection at all times.

# Vice Principal's Message

**Dr.Arokiamary Geetha Rufus**

Greetings to all!

Patrician College of Arts and Science, known for providing quality education to students has been ranked 19th by India Today among colleges in Tamil Nadu. And I am immensely pleased to be a part of this prestigious institution. I thank the almighty for the rich and abundant life that we have experienced this far. And I extend my heartfelt thanks to the faculty, students and well wishers of the Patrician family for your love and support in helping us carry forward the mission. I wish and pray that we grow manifold by His grace to empower and enlighten the youth of today.

***“Educating the mind without educating the heart is no education.” - Aristotle***

The college strives to empower each student to evolve as a holistic individual contributing to Social development by achieving excellence in education through lifelong learning. The seeds of knowledge are sown, and we find our Patricians stand tall and proud, spreading their roots across boundaries attaining their personal ambition and finding ways to reach out to the society.

***“You are the Light of the World....let your light shine before others, that they may see your good deeds and glorify your Father in heaven.” - Mathew 5:14***

Dear Patricians, it is our utmost duty to keep up the standards of a true Patrician in all walks of life as education is not just about intellectual growth but personal, social, moral and spiritual growth. Remember to respect people and uphold human dignity.

As Patricians, let us continue to stay united to seek, strive and find the hidden light in each one of us, so that we shine bright and light the world!

# UG ORIENTATION

Mr. Shanmugam, Founder and Director, Vetri IAS Academy, addressing the gathering

Parents and students during the orientation program

A day-long Orientation programme for the undergraduate batch of 2019-22 was held on **22nd June 2019**, to orient the freshers on the functioning of the college, its different departments and to give them a glimpse of the opportunities awaiting them. Presentations were given by the Director and Secretary, Academic Director, Principal, Vice Principal, Academic and Student Advisors and the Heads of various departments to acclimatize the students to the new learning environment.

An extensive guided tour of the institution, with special focus on its state-of-the-art facilities, was organized to help the students navigate their new environment better.

The students were also introduced to the various cultural clubs present in the college, for extracurricular activities. They were briefed on the Sports facilities available and encouraged to take active part in sports and games as well. The extended orientation programme further conducted by their respective departments Heads and faculty members presented the curricular, co-curricular and extra-curricular opportunities for the new batch of students. The students were exceedingly enthusiastic about beginning the next phase of their education.

The Orientation Team comprising the Heads of the Departments, along with the Academic Director and Principal shared valuable inputs on the Learning Environment at PG and M.Phil level with the students.

After the Orientation, the students were introduced to various resources of each department. Students were also introduced to their supervisory guides and tutors to register for their specialization subjects.

# Investiture Ceremony

2019  
-  
2020

Chief Guest Mr. Robin Jacob, CEO, M.A. Jacob Group of Companies, Chennai presenting the Leadership Badge to Natalia Sarah Antony, B. Sc Psychology

The Chief Guest presenting Leadership Badge to John Britto, B.Sc. Psychology

The most exciting springboard but also the greatest challenge is to become student leaders. It leads to multitude of opportunities of learning interspersed with ideas and innovations. A student leader is never born. He is trained to take up a plethora of responsibilities. This practical experience prepares him for his next step into the world. On **8th July 2019**, the highly charged student elections were held. It was a moment of jubilation for the students of Shift II students, which commenced in 2017 as they were also given the opportunity to take up leadership roles. On **13th July 2019**, the office bearers of the Student Council were invested with badges by the Chief Guest **Mr. Robin Jacob**, CEO, M.A. Jacob group of Companies, Chennai. He pointed out that the youth need focus and focus is rightly given when responsibilities are placed on them. Responsibilities fine tune their hidden potential and great leaders are thus born.

285 student leaders of clubs / cells, associations and the members of the Student Council were invested with the responsibility to spearhead the student activities of the academic year in consultation with the higher authorities and leave their footprints for the next batches to come.

Congratulations Student Council and Best Wishes!!

# Student Council Report

2019  
-  
2020

Golden Badge Holders for the academic year 2019 -2020 with the dignitaries during the Investiture day Ceremony on 13th July 2019.

The year 2019-20 took our usual college life through a different experience as we were in our final year of college. 15 students were nominated through indirect Elections including me, bestowing upon us with the most prestigious positions in the college "**The students council members**". These positions demanded us to be responsible and accountable as the voice of the students for the following academic year, with the help of our Director and Secretary **Bro. Johnson Rex Dhanabal**, the Academic Director **Dr Fatima Vasanth**, Principal **Dr. Usha George**, Vice Principal **Dr. Geetha Rufus**, members of the faculty, without whom we could never have made it through this journey - those wise words, advice and simple smile just shows how one should move forward in life.

The year that followed was an eventful one with numerous memorable moments bound to touch every students' life in campus. The council, were responsible for all the events held in college and organizing these events was a learning experience also for us. The Fresher's day, the Independence day celebrations, the inter-departmental culturals, Evoluzione and every event organized taught us the spirit of oneness, harmony, the true meaning of competition, leadership qualities and skills and peer relationships.

This past one year has personally taught me and the rest of my council members what it is to stand up and represent a group of people and stand beside them. Executing my duties and responsibilities as a Student Chairperson has been one of the most enriching experience and the beautiful years in my life. I am sure the other members of the Union also share the same sentiments as I do.

On behalf of the students council 2019-20 I would like to thank everyone who has helped us in successfully steering through this year with Pleasure and Satisfaction.

Thank you all,

**Alby P Alex**

# College Anniversary

**August 1st 2001** was the first baby step that Patrician College of Arts and Science took with 5 Undergraduate programs and 155 students. It may have been just another college in the city of Chennai but its dreams were higher and its wings bigger. Its vision and focus always lay much higher.

In 2019, with 13 Undergraduate programs, 3 Postgraduate programs and 2 Research programs, the College stood tall on its 18th College Anniversary, celebrated on 1st August 2019.

It is always a time to bring in new initiatives. Patrician Student Scholarship was initiated. The significance of the event was the contribution from all stakeholders right from the Support Staff, Parents, Alumni, Faculty and the Students. All the stakeholders joined in the celebration and gave away the seed money to the dignitaries to create the Scholarship Fund.

The Scholarship created was to fund economically disadvantaged students the college. Every First Friday of the month was also earmarked as Charity Day inculcating the need for social sensitivity. A total of Rs. 1, 33, 552/ was received for scholarship disbursement. Needy students were identified and scholarship was given to them.

On the same day, Wifi installation throughout the campus was executed. The faculty were given a Samsung Tab to promote e-governance, for use in taking online Attendance / Assignments. The G-suite facility enables the faculty to use the Tab as an ICT tool removing the obstacle of the traditional projector / LED.

**This was a boon to faculty to access online resource materials for their professional development and efficiency in teaching.**

# Independence Day Celebrations

2019  
-  
2020

**"You must be the change you want to see in the World."**

**-Mahatma Gandhi**

It was a great day and indeed a proud moment for us to celebrate the 73rd Independence Day of our nation. On August 10th and 11th Oratorical and Essay Writing competitions in English, Tamil, Hindi and French were conducted.

The topics were based on social issues in India- **"Current Problems and Solutions in India"**, **"Inter linking of Rivers in India"** and **"Agriculture"**. The students participated in the competitions and won prizes. The winners were awarded during the Flag Hoisting ceremony on Independence day.

A Mime was performed by our students portraying today's generation and their affinity towards the Western culture. The message strongly sent was the importance of Indianness and the need to maintain its ideals.

On 15th August, the flag was hoisted by **Bro. Johnson Rex Dhanabal**, the Director and Secretary, along with the staff. Prize winners of various events were honoured.

# Director's Birthday

On the occasion of the Director and Secretary's birthday which falls on **22nd August**, the Student Council Members had organized a special assembly. Rev. **Bro. Johnson Rex Dhanabal** who's known to be a dynamic, energetic and vibrant personality had just released his maiden book '**Naalai Namathe**'. As a unique initiative, the students enacted all the chapters of the book during the assembly. Mimes, songs, monologues, skits, poetry, etc were some of the modes of expression and the students, indeed, with their youthful zest portrayed the underlying message laid down in the book.

**The Best Teams were awarded.**

# CHRISTMAS CELEBRATIONS

Christmas is a time for celebration and gathering and with that spirit of celebration and oneness, the college had its Christmas Celebration for Students on the **19th December 2019**.

No Christmas celebration is complete without Carol Singing and to make it more interesting for students, an Inter-Departmental Carol Competition was organised. Students from all departments participated in the competition not just to exhibit their talents but to enjoy and be a part of the celebration of rejoicing the birth of Christ.

Christmas is also believed to be the season of giving and sharing. The college has always been exemplary in doing service to the poor and inculcates the same practice of caring and sharing in students. The college requested the students to volunteer goods such as food items, clothes and other essentials which were brought in by the students themselves and placed near the stage as and when their respective departments were performing the carols. The collected items were then distributed by the Management to the ones who were in need.

The Chief Guest for the day was **Rev. Fr. Jacob**, Parish Priest, St. Louis Church. The Christmas message was delivered by Fr. Jacob which was followed by the Christmas Wish from the Director and the prize distribution for the winners of the carol competition. The presence of the Academic Director, Principal, Vice Principal and all staff for the student's Christmas celebration spread the feeling of togetherness. The Celebrations ended with a special carol performance by the Shamrocks spreading the true spirit of Christmas among students. The best teams for carols were awarded.

# Foundation Day

The Founder Bishop Daniel Delany

Foundation Day Celebration was held on **3rd February 2020** to commemorate the Founder of the Patrician Congregation, Bishop Daniel Delany and pay floral homage

The Congregation of the Brothers of **St. Patrick** was founded by **Bishop Daniel Delany** on 2nd February 1808 to bring hope and opportunity into the lives of young people through education, with the involvement of four founding Brothers under the personal instruction of Bishop Daniel Delany.

A Musical Play on the Life of Bishop Daniel Delany was enacted by Faculty coordinated by **Dr. Ilakiya**, Coordinator, Fine Arts Committee and **Dr. Rajasekar**, Head, Department of Languages.

The play depicted the hope and opportunity which was brought into the lives of young people who were deprived of formal education and how the Patrician Brothers lit the light of Education among the poor and the needy.

On **2nd February, 2020**, the Management and Staff along with the Student council paid floral homage to the founder.

# College Day

2019  
-  
2020

Patrician College of Arts and Science celebrated the 19th College Day with a lot of grandeur on **6th March 2020**. The words of Eleanor Roosevelt "**The future belongs to those who believe in the beauty of the dreams**" is apt for the students who believe in the best.

The Annual Report for the academic year **2019-2020** presented by the Principal, Dr. **Usha George** was a delightful Video presentation of the beeline of activities of the year. The Chief Guest **Thiru M. Vijay Kumar, IAS**, Managing Director, Electronic Corporation of Tamil Nadu (ELCOT), Chennai, addressed the gathering on the responsibilities of each and every student and the need to develop the overall personality. His speech inspired the students to build the foundation from the early learning stage.

The Cultural extravaganza showcased student's exceptional talents themed on the urgent need to safeguard the five elements of the Earth which is fast deteriorating.

More than 450 undergraduate and post-graduate students were awarded on various categories like Topper Awards – both Class and subject toppers, 100% attendance, and the most prestigious Best Outgoing Awards. It was indeed an emotionally charged event as parents witnessed the proud achievements of their wards.

# St. Patrick's Feast Day

*St. Patrick's Day is a global celebration of Irish culture. It particularly remembers St. Patrick, one of Ireland's patron saints, who ministered Christianity in Ireland during the fifth century. St. Patrick's Feast Day Celebration is a reminder and a reviver of the missionary zeal of the Brothers of St. Patrick which began in 1808 in Ireland. With its zealous spirit to serve the youth, especially with the student community, through education, the brothers of St. Patrick have excelled at it with the growth of numerous institutions not only in India but also throughout the world.*

*To celebrate their faithfulness and success at the mission, a small celebration was held on 16th March 2020. The Brothers were invited and honored during their commemorative day.*

## Blessing and Inauguration of New Infrastructural Facilities

Dedication prayer by Rev. Fr. Prasad, Chaplain

It was indeed a special day for the Management, staff and students to be a part of the blessing and inaugural ceremony of the infrastructural facilities on 8th January 2020 provided to the institution under the leadership and support of Rev. Bro. **Johnson Rex Dhanapal**, Director and Secretary, Patrician College of Arts and Science.

This auspicious occasion was graced with the presence of esteemed Rev. Bro. **Jerome**, Provincial, Patrician Community, Bro. Vincent Mavelil, Superior, Vice President of Patrician Institutions, Adyar, and Rev. Fr. **Prasad Chaplain**.

Rev. Bro. Jerome, inaugurated the Students' Common Room named after Rev. Bro. **Vincent McEvoy**. In his inaugural message, he recalled the humble beginnings of the institution at the time of its inception and expressed his pride in seeing its growth in leaps and bounds since then. He highlighted the sacrifice and selfless services of Bro. Vincent McEvoy, in training the Indians in the seminary for service to God and humanity.

Rev. Bro. Ignatius O'Byrne- Reference section of library inaugurated by Rev. Bro. Jerome, Provincial, Patrician Community, Bro. Vincent Mavelil, Superior and Vice President of Patrician Institutions, Adyar

A Board Room, "**Rev. Bro. James Foly Hall**" with high-tech facility to convene meetings was inaugurated by Rev. Bro. Vincent, Superior. The Reference Section of the Library named after Rev. Bro. **Ignatius O'Byrne** which features a large hall for reference, Mini conferences and meetings were also inaugurated.

Bro. Jerome, Provincial, had a brief interaction with the Academic Director, Principal and Heads of the departments. He dwelt on some of the Universal problems faced by the student community, and emphasized that the need of the hour for the faculty is to rise as good facilitators and mentors. He said that the ethos of our institution should be to maintain equality and humanity, irrespective of caste, creed and religion.

Delany Digital Language Lab was renovated and inaugurated on 16th September 2019. The Computer networked lab has 30 systems with highest configuration, installed with two authorised and licensed softwares, 'Career Lab' and 'English Lab'. It is also facilitated with self-language learning modules. It is a Computer Aided Language Learning Lab, so that the exercises framed are in line with the present need for employment.

Commerce Lab was inaugurated on 29th November 2019. The lab has 5 nodes with WiFi connection and LED TV. The lab facilitates to train students on stock trading, to have access to video lectures and exposure to commercial documents like bills of exchange, minutes of meetings of companies, trade instruments etc. Hands-on experience in various aspects related to trade and industry is made possible with this facility

# New Infrastructural Facilities

Rev. Bro. Jerome Ellens, Provincial, addressing the faculty council

For better access to library resources, the library was upgraded with both infrastructural and technological facilities. A reading room with a separate reference section was inaugurated. To incorporate automated material handling system, the library was automated with RFID technology installed at a cost of Rs. 12 lakhs.

Development of RFID significantly increased integration of traditional library collection, along with electronic documents.

To promote easy check-in and check-out processes, a self-serve kiosk was installed in the library.

Student parking lot which allows parking for 700 two-wheelers was made available from November 2019.

On 26th January 2020, during the Alumni Meet, the alumni were honoured with the privilege of inaugurating the Conference Halls - a 100-seater Bro. Fintan Parkinson Hall, a 250-seater Bro. Ignatius Patrick Hall and Bro. Paul Hughes Hall (Recording Room) in C Block.

Staff rooms for BCA, B.Sc. Visual Communication, B.Sc Computer Science, Shift II and B.Sc Maths Depts were renovated with increased seating and shelving space.

Air-conditioned staff cafeteria with TV, indoor games, indoor Carrom, 50-seating capacity was inaugurated on 29th November 2019.

A Samsung Tablet was given to all staff members in order to reduce paper usage and increase the technology integrated teaching and administration practice viz. Maintenance of attendance, Mark Entry, Use of G-suite (Google Classrooms, Forms, etc.)

The college website underwent a thorough revamping with added facilities using the latest technology for the ease of use for both students and faculty. ERP online attendance was opened for students and parents access creating a transparent attendance maintenance. Other documents to be recorded like Internal assessments and related details were included too.

As part of environmental - friendly practices, e-certificate software is incorporated in the ERP for the student to access his/her certificates of merit and proficiency. The certificates can be downloaded through his/her login id by every student.

# New Infrastructural Facilities

Faculty could apply for leave through online leave application. This helps in maintaining sustainability practices and for add-on facility for faculty. To conduct events and programs the faculty can book the College venues online. The automatic maintenance and control of the dates and timings for the venues, avoids overlapping of programs of various departments.

To promote online lectures and easy access to materials, the website also has incorporated e-content lectures of faculty.

The Knowledge Resource Centre (KRC) includes the syllabus, question bank, question paper pattern, solved question papers, notes in the form of ppt/pdf and other notes for suggested reading. This gives the student enormous access to resource materials.

Also, all application forms for placement, scholarship are made available online to enable maximum reachability to students.

The Patrican YouTube Channel is a partner in promoting the extracurricular and outreach events of the College.

## Green Initiatives:

The College is a haven for a number of fauna and flora. Every year new green initiatives are undertaken to foster sustainability in the urban milieu. Two lotus ponds were developed, at the entrances of A and D blocks. The common areas were covered with plant saplings to provide green cover. The College undertakes consistent green practices to reduce carbon footprint. E-waste is segregated and handed over to Viro Green e-waste services for environmental-friendly degradation.

The staff and students thanked, Bro. Johnson Rex Dhanabal, Director & Secretary for his initiatives towards these developments.

We believe that the College will gain further momentum in establishing itself as a premier institution in the city.

Mrs. J Dhivya, Assistant Professor, Dept. of Social Work (Shift I) and Mr. Sabapathi, Asst. Professor, Dept. of Computer Applications (Shift II), the Secretaries of the Faculty Council actively coordinated meetings, events, and activities for the academic year. The crux of activities revolved around various academic, co-curricular and extra-curricular activities in the college for students, parents, teachers and alumni.

Faculty council contributed Rs. 28,700/- during the College Anniversary towards the new initiative Patrician Students Scholarship.

As part of welfare measures, the Management promoted the continuation of Group Insurance for Faculty and their dependents. Mention must be made that this initiative has come in timely for a few faculty who were able to meet their medical expenditures.

Other Welfare measures were also introduced for the faculty- to improve a healthy lifestyle through yoga, Isha Foundation, Chennai demonstrated a Yoga session for the faculty on 8th August.

Co-optex stall was in campus on 7th and 8th January for staff and students.

The fully air-conditioned staff Cafeteria was a new initiative with TV and indoor activity, a boon to faculty to relax and eat during their hectic schedule. Suggestion and grievance boxes are yet another feature of the staff lounge.

'The Cool Connect' was another initiative promoted by the Academic Director where faculty came together just to be socially connected without any work agenda. Movies were screened to connect the faculty and the Management in a non-formal way.

Birthday celebrations, other personal celebrations of staff like birth of child, weddings were other events promoted by the Management. Complimentary resolutions were passed by the Academic Director on the important academic achievements of faculty.

# SUBMISSION OF NAAC SSR REPORT – 2ND CYCLE

Patrician College of Arts and Science earned 'A' grade from NAAC in the year 2015 during its First NAAC cycle. This year 2019-2020 the college had to go through the Cycle 2 submission of documents to NAAC for Reaccreditation. The NAAC Revised Accreditation Framework was to be followed, for which a systematic, well planned extensive collection drive of data and documentation of records was a routine throughout the year and the IIQA (Institutional Information for Quality Assessment) of the College was successfully submitted on 13th of January 2020 followed by its acceptance from NAAC on 17th January 2020.

The institution geared up to present the documentation of all its quality highlights and all these efforts came into culmination on 11th February 2020 when, at 9 p.m., the Extended IQAC team jointly submitted the SSR (Self Study Report) of the institution.

The new component of SSS (Student Satisfaction Survey) was carried out effectively from 13th February, 2020 and the DVV (Data Verification and Validation) process for quantitative data verification which was initiated on 28th February 2020 was responded to on 10th March 2020.

The NAAC peer team is expected to visit the college soon – a much awaited event. The College hopes to present its best and move toward continual quality improvement with a higher grading from NAAC. We wish the college well with all our prayers and continued efforts.

*A message from a Patrician to his 'family'...*

*My bonding with Patrician institutions started in higher secondary schooling at St. Patrick's School. Speaking about the college, I am so proud to have studied there for five years of my life in under graduation and post-graduation courses. The question may be what I have achieved till now that I may be proud of my college, the answer being that I was a first generation graduate who went on to make a successful career in Social Work serving people and received Dr. Shanthini Kapoor IAS award for Best Social Worker.*

*It was in my final year with BBA department that I started to know myself and showcase my talents with cultural and sports. The Social Work department then made me learn life and continue to be a social worker. A student's life at patrician college does not end with just education and marks. It's about skill development, character building and starting our careers with campus interviews. The college not only recognizes students but also alumni; I am an example having received Outstanding Alumni Award in 2020.*

*I have seen the institution growing a lot in all these years. From 2008, I have witnessed how the college has developed with increased number of enrollments, strengthening faculty profiles, developing facilities. The ambience of college is completely changed with high class infrastructural facilities, new courses in Post Graduation and MPhil, new clubs, strengthened student's placement cell and alumni wing.*

*All this growth and development has been recognized with being accredited 'A' grade by National Assessment and Accreditation Council on 1st May 2015 and now to be declared as number one and top the list of non autonomous college in the state by The Delhi-based Centre for Forecasting & Research (C fore) and the name Patrician has become a brand in education among top colleges in the state and country.*

*I wish and pray that the institution grows to reach more heights and makes life for many students in the campus. Patrician in many of our lives is just not a college but it's a family and our family will continue to grow as years go by.*

*Success and Happiness is most celebrated especially when it goes to the well deserved. Such is the success story for Patrician College of arts and science. I am very happy to Congratulate Patrician College on ranking 1st in Tamilnadu and 27th among the top non-Autonomous college in India and of course on the many other rewards and recognitions the college has been securing for the past 20 years. As a student of the 10th academic batch 2008 - 11 and as an Alumni now still closely in touch with my college I can really say Patrician college has been more than just an educational institute to me. Patrician not only just excels in highly qualified and competent Principals, Vice Principals, deans and professors so far but also their friendliness as mentors, the opportunities given by the college to compete and win in many inside and outside college events, the exposure of extracurricular activities, and many other students' growth-focused programs has made it the best possible environment for any student to bloom into whatever he aims to become in life.*

*I sincerely thank each and everyone right from the non-teaching staffs to the teaching staffs who have been a part of the Patrician Team, on behalf of the whole student community for not only educating students but also for touching the lives of each students in a special way. And wish Patrician team All the very best on their vision to continue to keep enlightening the lives of many more young generation of the future.*

*It was definitely a day to remember at the Patrician college. I was overwhelmed with the hospitality that was extended to by the management and all the students present.*

*We introduced ourselves and had briefed the audience of our requirements. I was just blown away with the massive turnout which was over and above of what we had expected. The students hub team were just fantastic as they were always there for our help all the time. The process went on smoothly without any hassle.*

*We were invited again with another bunch of candidates at the job fair. Felt privileged to have given an opportunity to many students to work with one of the premier bank in India with IndusInd Bank. I am sure they feel equally happy as they pursue their careers in the Banking and Financial sector.*

*Wishing them all success!!*

*It is an apt saying that we make a living by what we get, but we make a life by what we give. Rev Bro. Johnson Rex Dhanabal, Director and Secretary, has been actively involved in alleviating the sufferings of the needy.*

*Not only during the Coronavirus pandemic that ravaged the entire world, but also during natural disasters like Chennai floods (2015), Vardha cyclone (2016), Kerala floods (2018), and Gaja Cyclone (2018), he has put his best foot forward to meet the needs of those rendered homeless and traumatized by the unprecedented rains that lashed the city. This year's Magazine pays tribute to this spirit of humaneness, in keeping with the spirit of the theme of the college for the year 'Serve to Lead'.*

*250 gypsy families living in the neighbourhood of Valluvar Nagar in Thiruvanniyur, were identified. They required essential commodities like rice, cereals, sugar, red chilli, coriander seeds, Atta, Rava, Spices, biscuits and other items. Rev. Bro. Johnson Rex Dhanabal, Director and Secretary, Patrician college of arts and science distributed relief packages to the underprivileged on 18th April 2020 with the support and guidance of Law and Order Officer Mr. Christan Jayasil, Police Officials from J2 Police station and Corporation administrators who helped in maintaining social distance.*

*The Gypsy community expressed their sincere gratitude wholeheartedly for his service and compassion towards humanity.*

*225 conservancy workers who live in the neighborhood of Adyar were identified and relief materials worth Rs. 1200/ for each family were distributed. Journalists who were affected due to the Coronavirus were also identified and relief materials were distributed to the frontline workers.*

*Relief materials worth Rs. 10,00,000 were distributed to the needy in society thus fulfilling the mission and vision of the Brothers of St. Patrick.*

# Acknowledgement

*When we acknowledge that all of life is sacred and that each act is an act of choice and therefore sacred, then life is a sacred dance lived consciously each moment. When we live at this level, we participate in the creation of a better world.*

*It is true that a Higher Education Institution gives its students full education, through full expression, creativity, and imagination, along with an acknowledgement that everyone learns differently. It has been a fruitful year for Patricians this year 2019 – 2020, especially because of its newer vistas that it opened itself to in all spheres, viz., academic, co-curricular, extracurricular and its outreach activities. We place on record our thanks to its greatest mentors, the Director and Secretary, Rev Bro. Johnson Rex Dhanabal, Academic Director Dr. Fatima Vasanth, Principal Dr. Usha George, and Vice Principal Dr. Geetha Rufus.*

*Out thanks to the Heads of the Department, Coordinators of Departments, Cells and Associations for their beehive of activities that has shaped Patrician to what it is today. Thanks goes to the Student Council representing the student body, the representative of the Parents Teachers Association, and Alumni Association.*

*Our heartfelt thanks to the Industry Representatives who have placed their immense faith in us and provided the students with placement and training opportunities. Our thanks to all organizations that have joined hands through MoUs to liaison with us in our activities.*

*We specially thank all the well wishers who wished us. Thanks to **Dr. Ravanan**, Joint Director of Collegiate Education, **Dr. Hanifa Ghosh**, Principal {Retired}, CTTE College of Education, **Dr. J Vijayathilagam**, Assistant Commissioner, Department of Civil Supplies and Consumer Protection, Government of Tamil Nadu, **Dr. S N Ramanan**, Founder and Managing Director, RSK Group of Companies, **Mr. Joshua Gerard**, Chief Operating Officer, Tamil Nadu Advance Technical Training Institute, **Dr. Sivaprakash**, Dentist, DrSmilez Group of Dental Centers, **Mr. R Senthil Nathan**, President, Rotary Club of Adyar, and **Mrs. Vincy P Victor**, Deputy Manager – HR, IndusInd Bank Ltd.*

*Our thanks is due to the PTA office bearers **Mrs. Geetha Santha Kumar** and **Mrs. Sangeetha**, Programme Officer, ActionAid Association, and the Alumni members **Ms. Priyanka** and **Mr. Surendhar** for their wishes.*

*We thank everyone involved in the successful publication of this edition of the Magazine 2019 – 2020.*

**Thank you!!**
