

PLACEMENT 2017-18

The Source Hub Committee of Patrician College of Arts and Science would like to sincerely acknowledge the efforts of every student, faculty member as well as other key contributors towards running the placements of 2017.

We express our sincere gratitude towards recruiters who have once again reposed their faith in the institution and the students who graduate from its flagship programs year after year. We have seen an overwhelming increase in the number of recruiters and we owe this to the efforts of the students who consistently perform well and bring laurels to the institute.

A total of over 125 students participated in the Campus Recruitment Programs conducted this year. They proved their mettle through quality performance; a total of 78 students accepted various Pre-Placement Offers extended to them.

Our Final Placement for the current year yielded positive results both in terms of compensation as well as quality and variety of profiles offered.
