## **Challenges and Prospects of Employability and Skills Post Covid 19**

Source Hub, the Placement team of Patrician College of Arts and Science conducted a webinar for the students and faculty about the Challenges and Prospects of Employability and Skills Post Covid 19 on 18th May 2020. Mr. Charles Godwin, HR Lead and Public Speaker, ZOHO the resource person was an eminent personality who took time to answer all the questions with positivity. 150 students and faculty participated in the webinar which proved to be very informative and busted the anxiety surrounding the Pandemic.

This current scenario paved way to a lot of questions in the mind of the budding youth mainly the Employability post Covid 19. To ease the minds of the students and the faculty, Mr. Godwin enlightened on the prospects of the Employability with the use of the Virtual World. He specifically highlighted that the students will have employment and they have to be positive and have to know the way around Virtual Communication.

The recruitment process will considerably change post Covid 19 and the Institution should be able to provide an online platform for Campus Interview for students in the future. The Webinar ended with a satisfaction amongst the audience since the students and the Institution should partake in developing the Virtual Communication.
