DIRECTOR & SECRETARY **Message**

Greetings from Patrician College,

A glance at our past accomplishments gives me great satisfaction on the initiatives Patrician College has taken to build future leaders. Our priority and focus is to share knowledge and wisdom which would make our students pursue their dreams. We firmly believe that knowledge embedded with values in the right measure is the appropriate approach to groom today's generation.

All that we have established today is what we have envisaged for the greater tomorrow. "Unite to Overcome" is just about joining hands together to achieve greater heights. The college is committed to doing things meticulously and has always cherished the happiness behind it.

We seize this opportunity to open up our heart and pass on the noble vision of implanting values and wisdom into the lives of the younger generation. We are well aware that the world is losing and mankind is becoming extinct with just flesh and blood existence because we have stopped caring for others.

Today's world has opportunities in terms of career, money, power and authority but people in that race to win against oddities have failed to realize that the price paid to acquire these luxuries is lost love, peace, harmony and relationships. It is time that we take a call to commit to get back to our basics and revive the world and mankind that once experienced and witnessed love and harmony.

Let us all join hands in this restoration and be assured that we are transferring the right world for the future generation. Now from overcoming challenges it's time to move on to achieving the desired goal. We are aware that it's just one life that we have. Therefore let's all start building the dream world through our earnest words and deeds. Towards achieving these goals the Patrician College gives you ample opportunity to become future leaders.

"To build the right virtues of life, let us establish the right values and Wisdom"

Rev. Bro. Dr. A. Stanislaus
DIRECTOR & SECRETARY

ACADEMIC DIRECTOR

Message

Dear Candidate,

Greetings!

At the outset let me congratulate you for foreseeing Patrician College as your destination to fulfill your dreams for career and life. Yes!!! You have made the right choice.

*Why Patrician? Is it because of its beautiful landscape, lush green coverage, State of the Art facilities and its location in the heart of city? Yes, but beyond all this there is much more to add to its pride. Patrician has been a buzz word across the state and nation with the latest ranking by Education World positioning Patrician College as No 1 College in Tamil Nadu among the Non-Autonomous Colleges. This has been possible only because of the Visionary Management, Committed and Dedicated staff, Motivated Students and the Social responsibility initiatives of the college. COVID 19 has given enormous opportunity to render relief services to the marginalized community. Besides this recognition, the College has been performing extremely well in all spheres and statutory body like NAAC has awarded A+ grade to the college in its second cycle of Reaccreditation and Rated 4 star by Ministry of Education. True to its Motto **To Seek... To Strive... To Find...**, the College continuously strives to build individuals who will strive to make a difference in society.*

The priority of education at Patrician College is to build Competency and Leadership in individuals. The College is strongly committed to provide opportunities to discover unique potentials and facilitate the individual to blossom into full-fledged human beings. As Aristotle states "Educating the mind without educating the heart is no education at all". We believe strongly in transforming the young minds to have a critical understanding of the environment and become empathetic and proactive to respond to any situations.

At Patrician, Excellence is the driving force in empowering the new Generation to get the right career break in the field of their choice. No effort is spared in providing conducive environment which nurture holistic development and provide personal care to every individual who is entrusted to us. We wish you to explore our Prospectus and make the right choice on the career you would like to pursue. We wish you happy learning with us.

Once a Patrician is always a Patrician.... Join the Journey with us for successful tomorrow.

Dr. Fatima Vasanth
Academic Director

PRINCIPAL'S Message

Dear Candidate,

Greetings!

As you choose Patrician College of Arts and Science to pursue higher education, we are proud to share that the core essence of the spirit of Patrician is to be Value-oriented, inclusive and liberal, which is the driving force behind curricular, co-curricular and extra-curricular activities. Most importantly, this spirit works in tandem with the basic function of education, that is, inculcation of the spirit of enquiry and critical thinking.

In consonance with this, the vision of the college is to progress towards being a centre of excellence addressing the challenges of diverse sections of society by empowering all stakeholders. The college intends to fulfill the vision by aiming at enhancing professional and relational competencies through facilitating innovation, entrepreneurship, and life skills; strengthening networking and collaborations in research, consultancy, and extension domains to facilitate holistic development. The vision and mission statements make it evident that Patrician is unique in its way of preparing students for their future endeavours.

Besides its regular academic activities and attempt to make students excel in professional environment, the college polishes the most essential trait of human nature, empathy. The ability to share someone else's feelings and experiences allows the transition from self-centred learning to community-centric one. Students are encouraged to participate in outreach programmes to serve the community. As a result of such inputs, patrician students emerge as leaders, innovators, entrepreneurs and importantly, with the spirit of humaneness.

The challenges of students in the process of striking a delicate balance between academic pursuits and community service are made surmountable by a well-organised student support service system. The Management is keen to prevent financial crisis from being a major hurdle by facilitating scholarships through private and government agencies. Also, being aware that a sense of anxiety and insecurity may be crippling, academic and personal mentoring services are provided for all students.

All these and many other support services provide a cushion for the students to attain holistic development.

Join us to have an evolutionary and organic growth!

Dr. Usha George
Principal

Motto

To Seek, To Strive, To Find

VISION

Patrician College will continue to progress towards being a centre of excellence addressing the challenges of diverse sections of society by empowering all to adapt to the new normal

MISSION

To ensure quality education by augmenting professional and relational competencies for innovation, entrepreneurship, and capability enhancement of students. To strengthen networking and collaborations in research, consultancy, and extension domains at regional, national and global levels. To facilitate holistic development of students to be resilient, sensitive and socially responsible citizens with right values and ethics

CORE VALUES

- ◆ Innovation
- ◆ Entrepreneurship
- ◆ Capability Enhancement
- ◆ Networking and collaborations
- ◆ Extension
- ◆ Building socially responsible citizens
